Chloe Taylor

Chloe,
We Knew from the time you were little that you were destined to go far in life. You have always had the perfect balance of compassion and grit. It has been an absolute blessing that God chose us to be your parents. Words cannot express how proud we are of the young woman you have become. Stay grounded in your faith, continue to work hard and always know that we love you with all of our heart.

Proverbs 3:5-6
Trust in the lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and He will make your paths straight.

Love,
Mom, Dad, and Clayton

Mikayla Brooke Cotton

Dear Mikayla,

I cannot begin to tell you how incredibly proud that you have always made me. But nothing compares to how proud I am of the young woman you have become. You have listened to the Lord and chosen Him to line up your steps. In these days and times that really takes a strong will. You have always been the life of our house. You have always kept me on my toes. Not a day goes by that I don't thank God for trusting me with you. It has not always been an easy road but I have to say we have made it. You are not only my daughter, but you're becoming a best friend. I have pushed you and you have answered that with excellence. There is not a doubt you will achieve the goals you have set for yourself. As you have put God first you have been an example for more people than you know. You minister to people daily as we see your walk with the Lord. Keep singing for Jesus and being that light in the dark that people need. I am forever grateful to be your Madre (as you call me)!

I love you so much!

Congratulations sweet babygirl!

I love you, Mama

Through all the struggles and tears
God blessed us with you after 14 years
Now here we are, watching you spread your wings
expending your horizons, "YOU" can do anything!!

You have been our world from first sight to now
Our heads are spinning, all we can say is "WOW"
Our hearts are filled with overwhelming joy
but remember you will always be our little boy.

As one chapter of life ends, another begins
Keep your faith in GOD within
Be humble, have respect, and be kind
There is no telling what in this world you will find.

You are loved by everyone you meet
and trust me that is no easy feat
Our family can't wait to watch you succeed
and you will the "best", indeed!!!

We couldn't be more proud of the young man you have become!!!

Love,
Mom and Dad

In a place that needs a change, make a difference
In a time full of noise, just listen
'Cause life is but a breeze, better live it
In a place that needs a change, make a difference

In a world full of hate, be a light
When you do somebody wrong, make it write
Oh don't hide in the dark, you were born to shine
In a world full of hate, be a light"
Thomas Rhett
